

## 2.3 FIXED-LEG PEDESTRIAN BARRIER INSTALLATION GUIDE

Fixed-leg pedestrian barriers are ideal for controlling foot traffic and ensuring safety during events.

People to Install:

Equipment / Accessories Needed:

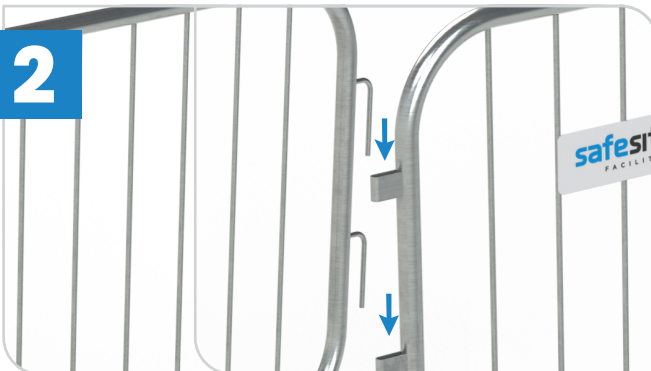

No accessories required

1

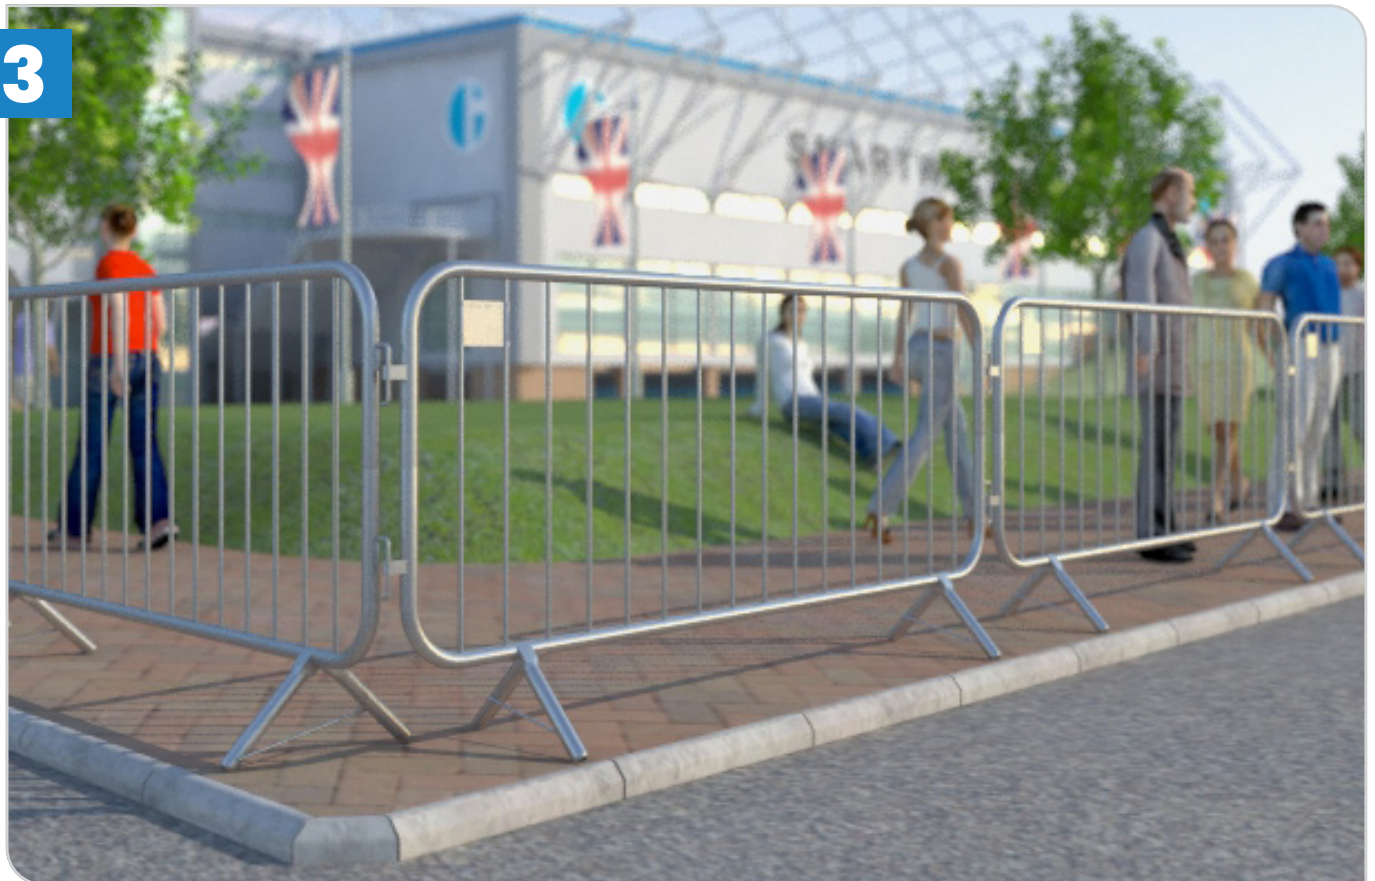

Set down each barrier alongside your desired fence line.

2

To connect the next barrier, place the hooks from one panel, into the loops of the barrier already positioned in place. Make sure that each panel faces the same direction.

3

Repeat steps 1 and 2.
