FACILITIES

333 Litre Crane Lift Mortar Tub

The Ideal mortar tub solution for large-scale construction or building site projects requiring a continuous mortar supply.

Manufactured in the UK, this mortar tub is crafted from high quality MDPE and features a reinforced steel rim frame with folding handles, ensuring safe and secure crane lifting for transporting mortar, cement, or concrete on construction sites. With a capacity of up to 333 litres and a weight limit of 800kg, it's perfectly suited for large-scale construction projects, specifically designed for crane lifting.

Steel Foldable Handles

Reinforced steel rim for secure and safe crane lifting

333 Litre Crane Lift Mortar Tub Specification

Description	Size (mm)	Weight (kg)	Weight Filled (kg)
SAS260040 - 333L Crane Lift Mortar Tub	H710 x W1015 x D710	40	800
