## 200 Litre Grit Bin

Keep winter grit or salt easily accessible and pathways protected with the 200 litre Grit Bin, a large-capacity solution designed for safe, weatherproof storage.

The 200 litre Grit Bin features a secure lid to prevent moisture from affecting your stored salt, and the high-visibility yellow colour ensures it stands out even in poorly lit conditions. Equipped with forklift compatible slots for easy handling, this bin is stackable for convenient storage and transport.

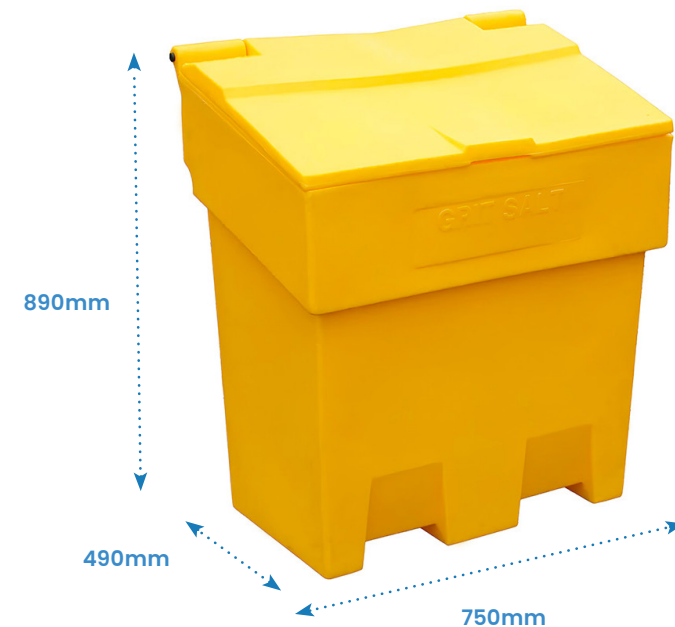

Designed to withstand the most demanding weather, the 200 litre Grit Bin is an ideal choice for managing snow and ice on roads, paths during winter months, ensuring safety and reducing the risk of slips and falls.

## Key Features

- > Robust plastic construction
- > High visibility - bright yellow
- > Forklift compatible
- > Easy stacking
- > Made from MDPE & UV protected
- > Drain holes in the base
- > Manufactured in the UK
- > Personalisation & branding options
